

GOLF ACADEMY SEMINAR

3RD FEBRUARY FROM 7PM

Have you planned for 2012 to be your most successful season yet?

The seminar, presented by Jeremy Bennett is custom made for you to score at least 4 shots lower per round without necessarily changing your swing!

- What do you want to achieve this year?
- What do you need to do in order to make this happen?
- Are you just hoping you might play better and have more fun by chance, or are you going to take control of your destiny?

You need a plan! It needs to be simple, easy to follow and one that you will see through! Jeremy will help you establish your goals and custom made plan. Also he will provide you with some simple tools that will help you not repeat mistakes, see that you continuously move forward and fulfil your potential.

The tried and tested blue print that he has used to help tour professionals such as Rory McIlroy succeed work just as well with high handicappers and beginners.
